

Snow

Scrunch the snow beneath your feet
Scrunch this extra special treat
Scrunch it shiny, compact, flat
Kick it, flick it, chuck it - splat!

Igloo brick it, skid it, slide it
Sledge, sleigh and toboggan ride it
Snowman roll it round the park
Listen to it after dark

Listen to the snow-clad hush
Before it dribbles into slush
Before the scrunch turns into splash
On with the wellies - out we dash!
